

Coffee N Creme Cafe Blurb

Written by: Stacy-Ann Hayles

Sometimes you wanna go where everybody knows your name...

And at the Coffee N Creme Cafe, we give you that feeling; from superior staff who remember just the way you like your coffee, to the mixture of beautiful artisan cafe-themed decor, and a full view of Whitter Village and its surroundings from our cool, covered balcony.

We're not just about coffee! We serve hot and cold beverages, ice cream, lite fare and cocktails all day long. So whether you need to sneak a shot of whiskey in your morning coffee, a place to take the family for brunch or somewhere to connect with colleagues after work, this is the place to be. Our lighter, healthier food options removes all the guilt you'd usually associate with eating delicious meals - vegetarian included!

Visitors to Montego Bay love to stop by and cool down while touring the plazas in our vicinity. Residents make it a part of their weekly routine - making use of the free WiFi available and digging into our daily specials.

So be sure to make Coffee N Creme Cafe a stop on your next visit to Ironshore. We'll always be glad you came!
